

**Most Blessed Sacrament Catholic School**  
**Policy on Cell Phones and Pagers**

While we recognize the safety concerns which lead some families to purchase cell phones for their children, students are strongly discouraged from bringing cell phones and pagers to school. Parents who give permission for their children to bring cell phones and pagers to school must register them with the MBS office. Students will turn their cell phones in to their homeroom teachers in the morning and take them home at the end of the day. Students will only be allowed to use their cell phone in an emergency under the supervision of an adult. A student violating this policy will receive 2 demerits. Any student who is using a cell phone to text message inappropriately during school hours may additionally receive demerits for disrespect, verbal threats, or bullying, as appropriate. If a student does not register their phone and/or forgets to turn it in, they will loose all cell phone privileges for the remainder of the school year.
