

## **PUBLICITY RELEASE FORM**

Throughout the school year, students are engaged in activities that we are proud to share with you and other members of the community. We would like your permission to use photos and names of your child at work in the classroom, on stage, or in group activities. These photos may be used in newspaper articles, local news, diocesan reports, newsletters, video presentations, and on the Most Blessed Sacrament Catholic School website. In addition, your child's work may be displayed on the school's website for the purpose of sharing curriculum objectives and student achievement in an effort to promote the school. When permission is granted, this release remains in effect for the **duration of your child's enrollment at Most Blessed Sacrament Catholic School**. A written request revoking or granting permission must be received by the principal in order to change your request.

We are aware of concerns about the use of images of children on our website and will take every precaution to ensure the safety of your child/children. Each homeroom teacher holds a copy of this form. Enrichment teachers and administrators hold a copy of the names of children who have not received permission for publication.

**PLEASE SIGN A FORM FOR EACH CHILD AND RETURN TO YOUR CHILD'S HOMEROOM TEACHER.**

I grant permission for my son/daughter's photo and name to be submitted for publication by local news agencies and their associated websites; for diocesan reports, newsletters, and video presentations; and for activities and work to be displayed on the Most Blessed Sacrament Catholic School website.
